Fr. Michael Sears

“When Paul placed his hands on them, the Holy Spirit came on them, and they spoke in tongue and prophesized.”(Acts 19:6)

Come seek the gifts of the Holy Spirit.
Sing a song of praise with us.

Testimony

I have been a very lukewarm person in religion, until a friend of mine, asked me to attend a healing mass with Fr. Sears even though I was skeptical, I sat in the front of the church, I have many problems with my heart, lungs, and I have had blood clots in the lungs and legs, abnormal blood, anemic...the following day I had a doctor appointment, and my blood was tested just before arriving to the doctors. As I sat in the room...6-8 doctors came in and asked what had happened, and asked what have I done differently? I asked what do you mean? The chief doctor stated your blood panel is normal, and kept asking me over and over, what did you do, to get this blood to return to normal, they had me retested, again normal, my reply...it was Jesus..who healed me.... God bless..Thomas
